About Me

I am Soumyadeep Banik Chowdhury, a BCA student at B. P. Poddar Institute of Management and Technology (MAKAUT), with my degree expected to conclude in June 2027. I have a strong foundation in backend development using Node.js, Express.js, and MongoDB, with experience in building RESTful APIs, authentication, authorization, and database operations. I also possess working knowledge of frontend technologies including HTML, CSS, JavaScript, and React. Through my portfolio, I showcase real-world projects that reflect my problem-solving skills, learning mindset, and passion for becoming a skilled backend-focused full-stack developer.
